

# How to Use the Interchange

1. Find the appropriate Part Type Number or Part Type Name in the Table of Contents and turn to that page. (As a generic example, the illustration below references a manual part for a Cavalier Rear Door Assembly.)

pt 130 DOOR ASSEMBLY, REAR OR BACK 269

2. Find the manufacturer of your vehicle in the Index. (The Index organizes vehicles by manufacturer, make, and year and provides a cross-reference to a Hollander Interchange Number.)

GENERAL MOTORS

3. Find the model and year of the vehicle you are referencing.

Model Name	<b>CATERA</b>		
	'97-98	.....	2662†
Model Year	<b>CAVALIER</b>		
	'82-94 Sdn.,		
	electric	.....	2402A†
	manual	.....	2402B†

	electric	.....	2475A†
	manual	.....	2475B†
	'95-98 electric	.....	2608A†
manual	.....	2608B†	

4. Identify the appropriate option needed for your model year. The Hollander Interchange Number for the referenced make appears on the same line.

Model Year Option	'95-98 electric	.....	<b>2608A†</b>	Hollander Interchange Numbers
	manual	.....	<b>2608B†</b>	

5. Look up the Hollander Interchange Number for your vehicle in the Interchange section of the appropriate part type. (The Interchange section for the selected Part Type immediately follows the Index of the same Part Type. The Interchange section lists vehicles that contain a part that you can use in your vehicle.)
